

Science Writing Workshop

This workshop is aimed at graduate students in the College of Science who want to improve their writing skills in order to write a thesis, publish a scholarly article, write for popular science magazines, or simply want to become better communicators. Graduate students from all other colleges who want to boost their market-ability are also welcome to attend.

Date: Thursday, April 2

Time: 3:30-4:30 p.m.

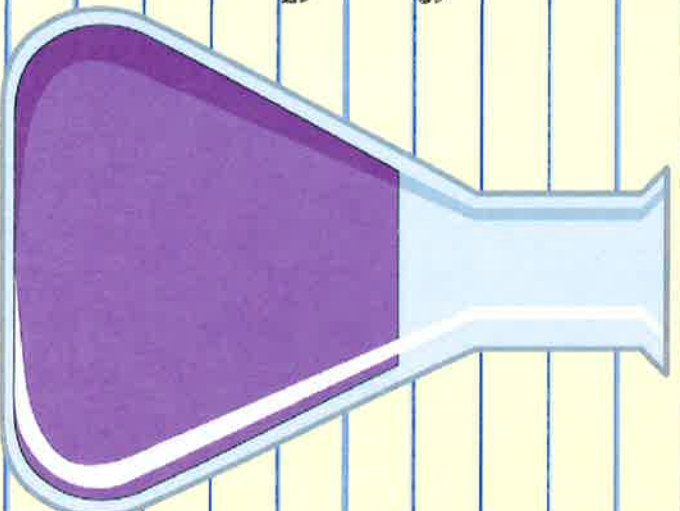

Location: Lowman Student Center, 307

Limited space available. Email gradstudies@shsu.edu to RSVP by Tuesday, March 31.
