

Historian and SHSU alum Phillip Luke Sinitiere will discuss W.E.B. Du Bois's life and its significance to African-American and global Black history. Drawing upon his extensive archival research, Dr. Sinitiere will cover some of the lesser-known facets of Du Bois's life, particularly when Du Bois was a world-renowned Pan-Africanist activist and scholar working in concert with his wife, Shirley Graham Du Bois.

Philip Luke Sinitiere

W.E.B. Du Bois's Life in Black History
